IMPACT FOCUS AREAS

**Economic
Empowerment**

Removing middlemen and
enabling direct commerce so
producers keep more of what they
earn.

**Youth
Employment**

Providing practical digital skills that
create real income pathways for
Pakistan's young generation.

**Women's
Financial
Independence**

Training programs and remote
work opportunities enabling
women to earn on their own
terms.

**Industry
Academia
Bridge**

Connecting educational institutions
with industry needs to reduce the
skills gap.

**Digital
Inclusion**

Making technology and digital tools
accessible to businesses that have
traditionally been left behind
